A minimum purchase amount may be required for promotional plans longer than 6 months. No interest will be charged on the promotional purchase if you pay the promotional purchase amount in full within the promotional period which may be 6, 12, 18 or 24 months. If you do not, interest will be charged on the promotional purchase from the purchase date. Regular account terms apply to non-promotional purchases and, after promotion ends, to promotional balance. For new accounts: Purchase APR is 26.99%; Minimum Interest Charge is \$2. Existing cardholders should see their credit card agreement for their applicable terms. Subject to credit approval.

IMPORTANT INFORMATION ABOUT ESTIMATED MONTHLY PAYMENT OPTIONS: Monthly payments shown in the tables should allow you to pay the associated total amount financed in full within the promotional period if: (a) this amount is and will be the only balance on your account during the promotional period and (b) you make the monthly payment shown by the due date each month. In addition, your total payments (cost) will equal the total amount financed. Payments shown in the table are equal to the total amount financed divided by the number of months in the promotional period. If you have any additional balance on your account, even paying each Optional Equal Monthly Payment may not pay off the total amount financed within the promotional period, and interest may be charged to your account from the purchase date.

The amounts in these columns are the suggested amounts to be paid if you choose to make equal monthly payments, to take advantage of the promotion, avoid interest and pay only the amount financed. Future minimum payments will vary based on amount and timing of payments, interest rate and other charges added to the account.
